To all Pastors and Church Board:

The PK Retreat was first established in 1997 under the leadership of Pastor Gary and Eva Winsor. Their commitment to this ministry was a blessing to all involved. Although the Winsors have recently moved their ministry to AsiaSPAN in Hong Kong, we as a committee are keeping the dream of the PK Retreat alive. Since last years’ disappointing cancellation, we have worked hard and are in full preparation for this years’ PK Retreat.

This is a new phase of leadership for PK with many new committee members. We believe in the purpose and vision of this ministry and have developed a mission statement and new PK logo to support this. During the process of developing our mission statement, we asked a few of your PKs what the PK Retreat has meant to them:

“PK is a refreshing zone for me, where I can be with Christians for the weekend and be refilled and renewed. It prepares me to go back home where I have so many challenges to face and God gives me new faith to what God can do” - Jenna Cole

“Yes, the retreats are filled with fun activities and fellowship, but God is still there everyday. And while we have fun, we also find friends, we find support, we find new found strength, courage, hope to keep walking the path God has laid before us” - Janelle Boone

As a committee, we would like to express our gratitude to you for your continued support and prayers for this ministry. If you are a church board member, we would like to appeal to you as the Church Board to consider supporting your Pastor & his family in making it possible for them to be apart of the annual PK Retreat. Thank you for your concern for the PKs of our province.
