

WORLD MISSIONS OFFERAMA 2009

May 2009 is World Missions Offerama Month for the Pentecostal Assemblies of Newfoundland and Labrador. **Our provincial goal is \$300,000.00.**

Our pastors, assemblies and others have given with their hearts during our past Offeramas. Your faithfulness and cooperation are greatly appreciated!

Again this year we anticipate full promotion and participation for the “Macedonian Call” before us!

Our goal is to provide:

- ▶ General Missions - \$115,000.00
- ▶ Emergency Relief and Development (ERDO) - \$100,000.00
- ▶ Projects - \$30,000.00
- ▶ Vehicles - \$55,000.00

Details will be provided through further bulletin updates over the next few Sundays.

The Pentecostal Assemblies of Newfoundland and Labrador will be “Moving Forward - United in Missions.” Together the home team (senders) and teams on the field (missionaries) will work together to hasten the coming of our Lord and Saviour Jesus Christ. The Pentecostal Assemblies of Newfoundland and Labrador mission is through the enablement of the Holy Spirit to glorify God by proclaiming the full gospel of Christ to all individuals and by making disciples through evangelism, instruction, fellowship, worship and ministry.
