Emergency Relief and Development Overseas (ERDO)
\$100,000.00

Humanitarian Aid

The Pentecostal Assemblies of Newfoundland and Labrador, in partnership with the Pentecostal Assemblies of Canada and the ERDO, provides humanitarian aid to the countries and people affected by such natural disasters as famine, earthquakes, tsunamis, etc. This may be in the form of medical supplies, food, water, medicine, bedding, tarpaulins, cooking utensils, etc.

Relief

ERDO provides short-term relief in times of severe emergency, innovative assistance to families and communities experiencing extreme poverty, and partnerships with communities to develop their God-given resources. ERDO seeks solutions to poverty that are innovative, creative and address the real needs of the community with which we are partnering.

The ministry of ERDO is truly global. At any one time ERDO (Emergency Relief and Development Overseas) is involved in over 35 different countries around the world. In over twenty years of ministry ERDO has been involved in the lives of thousands of people living with devastating poverty, natural disaster, civil strife, famine and disease...the needs are overwhelming!

Development

Through the introduction and support of programs involving conservation farming techniques, micro-enterprise, animal husbandry, clean water, building of infrastructure and return to livelihood, ERDO is enabling communities to become less dependent on outside aid. ERDO is assisting people to help build a better future for themselves and their families.

**Wherever there is poverty, hunger, disaster & injustice
ERDO is there on your behalf.**
