---

Hickman's Harbour is one of the 10 communities located on Random Island, Trinity Bay. This island has approximately 1600 people and the Penney's serve in the only Pentecostal Assemblies of Newfoundland and Labrador assembly on the Island. This assembly began in 1966.

The Penney's moved to Hickman's Harbour in August 2009.

Pray for the Penney's and their effort to equip this assembly as an effective witness

**for outreach to Random Island.**
