THE GIFFORDS
David & Bessie

The assembly is located 43 highway kilometres from Deer Lake on the shores of Grand Lake. The long time assembly was for many years self supporting, but due to decline has been made an outpost of Deer Lake. However, the assembly has been able to attract “volunteer” pastors and has carried on ministry and all costs relative to assembly operations.

The Giffords moved to Howley in September 2004 from a pastorate in Napanee, Ontario. In Howley they lead a vibrant and largely youthful congregation of approximately 20.

Pray for the Giffords ministry to impact the community.
