THE GREENHAMS

Elsie and Calvin

Calvin and Elsie are very active lay leaders from the Ming's Bight Assembly. Calvin has served faithfully with the Provincial Men's Ministries. Elsie has taken leave from her work as an LPN at the Baie Verte Hospital to serve in Natuashish. This dedicated couple are volunteers overseeing all aspects of the school breakfast program and they also hold weekly Sunday School and fellowship meetings.

PAONL supports them with groceries, ministry supplies and transportation costs.

Please support this compassionate couple through your encouragement, prayers and financial support.
