THE FELTHAM FAMILY
Howie and Earlene

Rocky Harbour, a town (pop 1,005) with a promising future, is located in beautiful Bonne Bay in the Gros Morne National Park. The church also serves Norris Point (pop 750), seven kilometres away.

The Felthams began ministry here in August 2008, moving from youth pastoring in Charlottetown, Labrador. Sunday attendance averages approximately 30 and the assembly as a successful children's and youth ministry. A number of youth from the assembly are making significant ministry contributions elsewhere.

Pray for the growth and maturity of the congregation.
