THE FRAMPTON'S
Derek, Tim, Lisa and Taylor

The Frampton's began ministry in June 1995 in Fort Severn ON (a fly in Cree Reservation on the coast of the Hudson Bay) where they ministered for three and a half years; their second church was in Spring Bay, Manitoulin Island ON, where they ministered for 9 years. They moved to Sunnyside in August 2009.

This community is located on the western side of Trinity Bay at the bottom of Bull Arm on the isthmus of the Avalon.

This community has a long history of knowing the gospel. Our assembly here was Self Supporting for many years but like many is now supplemented due to decline.

Pray that the assembly will be given power to reach the local area.

It's proximity to the Bull Arm work site gives opportunity to reach into many lives from various parts of our province.
