THE HARNUM FAMILY

Marcia, Lorna, Chad and Philip

Bunyan's Cove Assembly, located in the southwest corner of Bonavista Bay began in the 1960's. It also has people from the Bloomfield area. Sunday attendance averages more than 20 and children's ministry usually has 18.

The Harnums moved to the assembly in August 2008, from Hopedale, Labrador, their first pastorate, where they spent just under two years.

Pray for the revitalization of this assembly as an outreach centre to the whole area.
