ANNA ROWSELL

Pastor Rowsell moved to the pastorate in Pool's Cove, in January 2009. The community of Pool's Cove located in the north western corner of Fortune Bay on the Connaigre Peninsula, has a population of 189.

This beautiful fishing community has had a Pentecostal assembly since 1935. Our assembly here was Self Supporting for many years, but like many communities is now struggling because of decline in the fishery and consequent effects on the congregation.

Pray that the unity and witness of the local assembly will bring a renewed understanding of the gospel to the whole community.
