

## Sandals for Senegal report Stoneville Pentecostal Church

On April 14, 2008 our mid-week children's ministry, "**Kid's For Christ**" challenged our children to help the children of Senegal by purchasing sandals for them. The children went home with the letters, a challenge of buying 200 pairs of sandals at \$ 1.50 per pair and a paper outline of a pair of sandals. It was then decided that the entire church be challenged and we would encircle the sanctuary heel to toe with the paper sandal outlines - 500 pairs. Over the next 6 weeks we added sandals to the "Walk Around the Sanctuary" and then on June 1 we made it - 500 pairs of sandals for Senegal. It was exciting to see the trail of paper sandals around the walls revealing we met our goal. During the morning service we had our children gather in the front of the sanctuary and ten year old Russel Porter gave thanks to God for His blessing to us that we were able to give to and prayed for the children in Senegal who would receive the sandals. All 24 children in our KFC ministry was involved in this endeavour. Many adults took part, including periodic attendees and non-attendees who heard about our project. What a privilege to teach our children the blessing to give to others!

SPT Sanctuary:  
note the sandals wrapping around  
the sanctuary walls!! Great Job!!
