Pool's Cove NL A0H 2B0

The Ings family moved to Pool's Cove in November 2018. Pool's Cove is located on the South Coast of Newfoundland. The population is around 175 people. While only new to the area, we are excited to see what God is going to do in Pool's Cove as well as throughout the entire South Coast of Newfoundland. There is much potential for outreach in this area. Right now we are looking forward to building relationships within the church, as well as in the community. We are called to spread the good news of God's Word.

My wife and I have been married for almost seventeen years. I am originally from Carter's Cove and Carla comes from Birchy Bay. We've spent the last 11 years in Lewisporte where we have raised two wonderful boys who will certainly have a great hand in ministering to the youth and children in this area.
