Calvary Chapel has been a lighthouse to North West River/Sheshatshiu for over 35 years. The 2016 population of North West River is 547 and the Innu First Nation of Sheshatshiu - 1,023.

Tracy and Cavell moved to North West River/Sheshatshiu September 2018, with a new support structure from Bethel Pentecostal Tabernacle in Happy Valley–Goose Bay. This will provide them with financial support, resources and assistance. Tracy and Cavell along with their congregation, will share the Gospel of Jesus Christ and the love of God to this area with community involvement through outreach ministries and building relationships with these precious people.

Please pray with us for the people of North West River/Sheshatshiu that the Holy Spirit will help them understand the Gospel of Jesus Christ and accept Him as Lord and Savior.
