Bunyan's Cove NL AOC 1EO

Bunyan's Cove is located 15 minutes from Port Blandford on Highway 233. It is a small cove on the south side of Clode Sound in Bonavista Bay, located about 46 kilometers north of Clarenville. The Bunyan's Cove assembly has members from Bunyan's Cove, Musgravetown, Bloomfield, Lethbridge, Canning's Cove, Jamestown and Portland. The total population of these communities amount to 2500 or more. There is a dire need for some major outreach to these communities.

Blanche and I have Pastored here since Oct. 2017, and we see so much potential in this area. In 2018, we seen 3 souls saved, 3 people follow the Lord through waters of baptism and 7 new members added. With two schools in the area, we have a lot of youth and children, which can be an outreach in itself.

We will not blame out-migration for the reason why our church is struggling. The people are all around us and a mighty revival is possible, the harvest is ripe, but workers are required. The cry is to send out workers into the ripened harvest fields, work while it is still day because night is coming. Harvest time is now!
