HANT'S HARBOUR THE SEABRIGHTS

Box 2

Hant's Harbour NL A0B 1Y0

The Seabright's began their ministry in Hant's Harbour in August 2018. The community of Hant's Harbour is an incorporated town having a population of 346 located on the east side of Trinity Bay on the Bay de Verde Peninsula, approximately 30kms north of Carbonear.

The assembly has the same concerns as most small assemblies in rural Newfoundland, such as out-migration, as well as the close of the local fish plant in recent years. This assembly averages 27 in attendance on any given Sunday, with an average of 12 in the Tuesday evening bible study/Prayer meeting.

The ministries of this assembly include two Sunday services, weekly prayer meetings, Thursday "Kids Power Hour", with an average of 10 children (from a school of 40), a monthly service in the senior's home in Winterton, ecumenical commitments, and a small fellowship group that will meet in various homes within the community.

My wife and I, as well as our daughter Meghan (away at college), fell in love with the people in the area the moment we arrived, and we have been blessed ever since. Hant's Harbour is an assembly that eagerly strives to worship and give God the glory at every chance, we know that God has a plan for this area, and we are thrilled to be a part of it.
