Spruce Hills Community Church (SHCC) is a unique church in its own rite. Starting as a church plant in 2011 for the fast-growing population of Paradise and surrounding area.

Distinctly known as a “community” church, its statement has been and continues to be a place where anyone can walk through the doors, finding a sense of belonging and acceptance no matter what background or religious affiliation.

SHCC prides itself on community – you will find families of all backgrounds gathering on a Sunday morning to worship in a casual setting eager to fellowship and worship. Kids are connected through weekly programs from grades K-6 and youth meet on a regular basis for worship and study.

Whether people connect through a Sunday morning worship & fellowship time, a Life Group, or a Community Outreach Project, there is a great sense of family and community when coming together for a purpose.

SHCC has been through many changes over the years, and this year has been no exception. Under new leadership since April 2019, SHCC is looking to build on its early foundations, continuing to extend its community vision even further.
