CHANGE ISLANDS THE BECKS

Box 14

Change Islands NL A0G 1R0

This ruggedly, picturesque fishing community, in Notre Dame Bay, is reached by a 20 minute ferry ride. The present community population of approximately 250 is a drastic reduction from its heyday. The community is located on two islands spread along both sides of a long “tickle” and connected by a bridge.

The Becks, began part time ministry in this once self supporting assembly, in August 2008. Sunday attendance is now around 20. While there are 4 church buildings on the islands, the Becks are the only resident ministers.

Please pray for them, and for their congregation that the power and presence of God will produce in them a ministry that will renew this assembly.
