## **HICKMAN'S HARBOUR THE REDDICKS**

---

Box 48

Hickman's Harbour NL A0C 1P0

---

The Reddicks moved to Hickman's Harbour in September 2010. They bring with them many years of pastoral experience which will be invaluable as they reach out to the people of Random Island.

Hickman's Harbour is one of the 10 communities located on Random Island, Trinity Bay. This island has approximately 1600 people and the Reddicks serve in the only Pentecostal Assemblies of Newfoundland and Labrador assembly on the Island. This assembly began in 1966.

Pray for them as they endeavour to equip this assembly as an effective witness for outreach to Random Island.
