Janet began pastoring in Lushes Bight August 2014 and is the only resident Clergy on Long Island.

Lushes Bight is small out port fishing village which is located on Long Island, on the northeast coast of Newfoundland. Long Island is a five minute ferry ride from Pilley's Island and consists of two communities Lushes Bight and Beaumont with approximately 220 residents.

Faith Pentecostal Church has approximately 13-17 people in attendance; it has two Sunday Services and a Mid-Week Prayer Meeting.

Pray for the Body of Christ at Faith Pentecostal Church as we endeavor to 'Draw near to Him' during our Sunday Services and Mid-Week Prayer Meeting. We are praying for a stirring within our own hearts for more of the Lord's Presence and for a 'demonstration of the Spirit's Power' in our midst! As we draw near to Him, He will draw near to us! (James 4:8). Pray for us as we endeavour to be the hands, feet and mouthpiece of Jesus on Long Island that we may represent 'Him' well in Lushes Bight and Beaumont. Pray for us as we endeavor to present opportunities for men and women to know Jesus as their personal Lord and Savior! Pray for the residents on our Island – Pray for a 'Spiritual Awakening' so men and women may see their need of a Savior – Pray for Salvations!

Please join with us in prayer because we know *greater* things have *yet* to come!
