I was initially appointed to Mwanza, Tanzania as ChildCARE Plus Director in August 2010. Over the past 8 years I have been privileged to train work alongside many nationals who have helped to create a strong local church-based CCP program which serves 550 children and their families. Through the construction of two nursery schools and supporting these, along with 3 other nursery schools, all operated by local churches, CCP-Tanzania ministers to over 1000 children on a weekly basis. In 2016, my role changed to CCP Field Representative, where I serve as liaison between the Tanzanian and Canadian offices and complete monthly financial administrative duties. We appointed a local Field Leader who manages and oversees a team of volunteers from 10 different churches in order to carry out all CCP field activities. On May 4, 2018 I convocated with a degree in Master of Theological Studies at Queen's College in St. John's and on May 26, 2018 I got married to a wonderful man named Kevin Dearing from Moreton's Harbour. Together, we will return to Tanzania in August to continue training the CCP team. My role as CCP Field Representative has remained ongoing. I am studying French with a view toward helping to extend our borders to some of the more unreached African countries, as opportunity arises.
