

Prime Time Retreat 2019

Good Day:

We are pleased to invite all 50 + adults across our province to gather for a special weekend to celebrate our faith in the Prime Time years. The dates are June 21-23 at Emmanuel Convention Centre, Lewisporte Junction. Registration deadline will be June 5, 2019 so make plans now to register. The 2019 theme is "MORE," Ephesians 3:20. There is "More to Live, More to Give, More to Learn."

We are pleased that Pastor Hayward Primmer will be our guest speaker with Pastor Darryl and Shelley Lidstone to lead Praise and Worship. Pastor Norman Joy will lead us in a powerful Prayer Session and Pastor Jeremy Nippard has agreed to do a session called, "Mentoring for More - The More you have Lived, the More you have to Give." We also have Prime Time leaders, Betty Joy and Lynn Anderson to lighten things up with fun activities and introduce a special presentation by Seniors NL on "Loneliness." On Saturday evening there will be a special - Praise Hymn "Singing Through the Decades" concert with devotional speaker, Pastor Catherine Snow. We conclude Sunday morning with worship, closing session from Pastor Primmer and Communion with our General Superintendent, Pastor T. Snow.

So excited that "Third Place Café" will be open after the evening sessions for refreshments and simply "hanging out" with one another. How good is that? Start planning now to attend this Retreat and let's build on the Prime Time Ministries for our churches and communities. Spread the word. ☺

Important Registration Information:

There are other options besides staying on the ECC grounds. You may live in the Lewisporte area or stay with friends in this area to accommodate your travel back and forth. In that case, you only pay for registration and your preferred meal selections, if you want meals at ECC at all. Please review the registration form and note these and other options. You may also register online at www.paonl.ca. (Go to Events/ click on Find Out More/ click on Click to Register). A reminder that this will be a closed retreat to Registered Guests only.

We strive to accommodate your weekend plans in the most efficient way possible. Please read the information carefully and contact Mary Bowers at the MDSI office, via email mbowers@paonl.ca or phone, 709-778-6501, if you have any questions on this matter. She will be pleased to assist you.

Thanking you in advance for your consideration to come. Hoping to have a great turnout this year!

Blessings to you all from the Prime Time Team,
