NORMAN'S COVE THE SMITHS

Box 153

Norman's Cove NL A0B 2T0

Norman's Cove is a community of about 700 people which sits directly across the TCH from the Nickel Processing Plant in Long Harbour and is about 10 km west of Whitbourne. The church was started there in 1975 and the Smiths have been ministering in the community since 2007.

Pastors Steve and Deanna share preaching and pastoring duties during two Sunday Services and a weekly Bible Study/Prayer Meeting. Despite their son Caleb being the only official Pentecostal Child their bi-weekly children's ministry called "Kids Zone" regularly attracts upwards of 20 children who come for a time of crafts, snacks and a bible lesson. Other bi-weekly ministries include Ladies Coffee Hour and Men's Fellowship Time, both of which are outreach ministries that are well attended by people in the community. Pastors Steve and Deanna, as well as faithful members of their church, are continually involved in the School Breakfast Program and School Lunch Program and both pastors are actively involved in the local Ministerial Association.

Please pray for the Smiths as they seek to reach younger families in the community and to equip the church to be effective witnesses to those who haven't yet embraced the good news of the gospel.
